DE PAVILJOEN BOUTIQUE CONDOTEL

DE PAVILJOEN is a precious project we started in 2014. At the moment, DE PAVILJOEN is one of the most exciting upcoming Boutique Condotel development located right in the heart of Bandung City, West Java.

Jalan RE Martadinata or better known as Jalan Riau is home to Bandung's most popular tourist destinations and DE PAVILJOEN is located right in the heart of Jalan Riau, a walking distance to the most visited SHOPPING & CULINARY attractions in Bandung. Rising 11 Storeys tall with a total of 145 Fully Furnished Rooms and complemented by 4 Star Hotel Facilities, it will soon be the main highlight of Jalan Riau in Bandung.

We are now a long way from when we started constructing De Paviljoen in 2014 with approximately 85% progress already underway. De Paviljoen now stands as one of the tallest buildings along Jalan Riau in Bandung. And we are pushing closer to completion of the project in end of Q2 2016 and operational in early Q3 2016.

HQUARTERS GRAND PREVIEW

2nd of December 2015 was a good day for Investaland and our customers. Welcoming our latest project in Bandung's Prime CBD location, we held a Grand Preview Event in Crowne Hotel Bandung.

The Event was a huge hit with more than 70 Units Sold in one night of Preview. That's close to 50% of the Units we were selling on that night. Thanks to the trust given by our customers and the support of all the marketing teams involved on that night.

We will keep you updated with HQuarters' progress in our next edition newsletter

INVESTALAND THANK YOU

Thank you so much to everyone from the bottom of our hearts!

Investaland started with an idea, an idea that everyone can benefit from our projects. Investors, customers, marketing agents, contractors, consultants, suppliers. Together, we all played a big part in delivering an idea into reality!

The idea started with De Paviljoen, a darling project we pour our hearts into, and now looking at the progress we've made, we're often caught smiling without us even realising it.

End of 2015 we started another project which we felt was a worthy follow up to De Paviljoen. The project name is HQuarters - Business Residence, located in Jalan Asia Afrika in Bandung CBD, a famous street witness to Bandung's most proudly remembered historical event, The Asian African Conference.

HQuarters' Grand Preview was a big success, and we would like to thank all investors, customers and marketing agents for your trust in us. We will deliver our promises!

This Newsletter is part of keeping that promise, we know everyone is busy with their daily activities and we just wanted to keep in touch, keep everyone involved updated to all the things that we're doing to deliver our promises to you...

Yours truly,

Henry Kartono K. & D. Owen Fernando
